

BE PART OF THE SOLUTION!

There are wonderful volunteer opportunities for all, providing our Haynes Charter for Enriched Studies students opportunities like a P.E. program, new school equipment, workbooks to accompany textbooks, and of course buses for field trips! Enhance your child's experience as well as contribute to the sense and feel of community we have here at Haynes Charter. If everyone does a little, we can do it all!

(please choose more than one – we promise to not appoint you the Chairperson)
